

ELT Group and the Qatar Armed Forces signed a contract for the delivery of a Unified EW Center in Qatar

The first contract in the Country as a Prime contractor

Rome, 18th December

ELT Group and the Qatar Armed Forces have signed a Contract for the delivery of a Unified Electronic Warfare (EW) Centre which will provide the Qatar Armed Forces with state-of-the-art capabilities for EW operations, further enhancing the modernity, maturity and capability of Qatar Armed Force. This contract corresponds to the initial step of a wider project that will be achieved in different phases.

Domitilla Benigni, CEO&COO of ELT Group said: *"this contract represents a very important result, both in economic terms and for what concerns our positioning in the area. It's also a confirmation of a solid friendship and long-term cooperation with the Qatar Armed Forces. For the first time in Qatar our Company takes on the role of Prime Contractor and Lead System Integrator, and this makes us particularly proud of the trust that such an advanced End User has placed in ELT Group. There is also the fact that the contract was signed on the day Qatar celebrates its National Day, which makes the event even more special"*.

ELT Group has been present in Qatar since 2017 with the opening of its commercial office, providing support within many national programs thanks to its portfolio of capabilities in the EMSO domain.

ELT GROUP

For more than 70 years, it has been a world leader in Electronic Defense systems. Thanks to innovative management of the electromagnetic spectrum, achieved through proprietary and integrated technologies, today the brand is an international Group with a multi-domain approach that also covers Cyber, Space and Biodefense.

By the experience gained through participation in major European Defense programs including Eurofighter Typhoon, FREMM, PPA today ELT Group is present in more than 30 countries in the World with more than
